### Notes - G B D F A

Match each letter name to the correct note.

A large, faint watermark reading "MUSIC" is visible in the background. The page contains several musical notes on a five-line staff, each with a bass clef and a single note. Each note is on a different colored ticket labeled "MOVIE" and "TICKET". The notes are: a green ticket with a note on the second line (G), a blue ticket with a note on the second space (B), a purple ticket with a note on the second space (B), a yellow ticket with a note on the second space (B), and a pink ticket with a note on the second space (B). There are also several yellow cloud-like shapes containing the letters G, B, D, F, and A scattered around the page. A dashed line connects the letter 'F' in a yellow cloud to the purple ticket with a note on the second space (B).
